

CUBA DUPA 25-26 March

Remove this map and schedule and discover the world of CubaDupa!

Get out of your car!

Cuba street becomes a pedestrian-friendly zone for CubaDupa, and will stop traffic around Cuba Street. Road closures will be in force from 12am Saturday 25 March until 9pm Sunday 26 March. Vivian Street will be open, but slowed to one lane, so expect significant delays.

When travelling to CubaDupa please consider leaving your car at home and use public transport, cycling or walking as it's eco friendly and many Parking Buildings are closed in the CBD.
